

# Pioneer Catchment & Landcare - Reef Assist Program

Pioneer Catchment and Landcare are excited to present our **FREE** land management activities through our Reef Assist Program to eligible landholders.

**Eligible Landholders** will be committed to protecting and enhancing and managing areas of remnant vegetation. Spaces are limited and properties will be prioritised to provide the highest benefit to natural values.

## Successful applications will receive **free of charge**:

- A property visit and onsite advice from a Landcare officer
- 40 Local native plants
- A land management plan for your property
- 2 Days of **free** on-ground revegetation/weed control labour from our Reef Assist Team (2 persons)
- A land management information pack

To register your interest please fill out the expression of interest section and post or email it to the address below.

## Expression of Interest

Name: \_\_\_\_\_

Property Address: \_\_\_\_\_

Lot/Plan: \_\_\_\_\_ Property area: \_\_\_\_\_ (Hectares)

Postal Address: \_\_\_\_\_

Phone: \_\_\_\_\_ Email: \_\_\_\_\_

Please indicate current issues on your property, the activities and education you are interested in:
